

PRODUCT-DETAILS

# 3BSE018103R1

## CI853K01 Dual RS232-C Interface

| 概要信息    |                                                                            |
|---------|----------------------------------------------------------------------------|
| 产品ID    | 3BSE018103R1                                                               |
| ABB型号名称 | CI853K01                                                                   |
| 目录说明    | CI853K01 Dual RS232-C Interface                                            |
| 详细描述    | Package including:<br>-CI853, Communication Interface<br>-TP853, Baseplate |

| 其他信息   |                                                                      |
|--------|----------------------------------------------------------------------|
| 媒体说明   | Package including: -CI853, Communication Interface -TP853, Baseplate |
| 产品应用类型 | Communication_Module                                                 |

| 订货信息    |                                                                                                                                                                                                                                                                                                                                        |
|---------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HS Code | 851762 -- ELECTRICAL MACHINERY AND EQUIPMENT AND PARTS THEREOF; SOUND RECORDERS AND REPRODUCERS, TELEVISION IMAGE AND SOUND RECORDERS AND REPRODUCERS, AND PARTS AND ACCESSORIES OF SUCH ARTICLES;Telephone sets, including smartphones and other telephones for cellular networks or for other wireless networks; other apparatus for |

the transmission or reception of voice, images or other data, including apparatus for communication in a wired or wireless network (such as a local or wide area network), other than transmission or reception apparatus of heading 8443, 8525, 8527 or 8528;Other apparatus for the transmission or reception of voice, images or other data, including apparatus for communication in a wired or wireless network (such as a local or wide area network);Machines for the reception, conversion and transmission or regeneration of voice, images or other data, including switching and routing apparatus

尺寸

|      |          |
|------|----------|
| 产品净深 | 127.5 mm |
| 产品净高 | 186 mm   |
| 产品净宽 | 59 mm    |
| 产品净重 | 0.7 kg   |

环境条件

|                     |                                                            |
|---------------------|------------------------------------------------------------|
| RoHS状态              | Following EU Directive 2011/65/EU                          |
| WEEE 类别             | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries | 0                                                          |
| SCIP                | 43539db2-d4af-4b85-97ac-565db43a2c4a Sweden                |
